POR ÚLTIMO, PERO NO MENOS IMPORTANTE

Mantenga las puertas corredizas de la terraza cerradas para evitar la condensación y el piso resbaladizo, porfavor, no cuelgues la ropa en las barandillas.

Tenga en cuenta que la unidad de A/C dejará de funcionar si la puerta principal y/o la puerta corrediza están abiertas.

Por medidas de Seguridad le sugerimos que no entren al mar, esto debido a las fuertes corrientes marinas en toda la costa durante todo el año, siendo un peligro inminente para los nadadores.

En Hard Rock Hotel Los Cabos somos un lugar libre de humo de tabaco en las habitaciones y áreas con acceso al público en general o de uso común incluyendo el uso de vaporizadores.

LAST BUT NOT LEAST

Keep the terrace sliding doors closed to avoid condensation and slippery floor, please do not hang clothes on the railings.

Please note that the A/C unit will stop working if the main door and/or sliding door are open.

For safety reasons we suggest that you do not enter the sea, this is due to the strong ocean currents along the coast throughout the year, being an imminent danger to swimmers.

At Hard Rock Hotel Los Cabos we are a smoke free place in the rooms and areas with access to the general public or common use including the use of vaporizers.
